WORLD EVIDENCE-BASED HEALTHCARE DAY

EVENTS Guidelines

COLLABORATIVE KNOWLEDGE COMMUNICATION

This year we are inviting individuals and organisations to host an event between 17 – 22 October on *any topic related to evidence-based healthcare*. Events are not restricted to collaborative knowledge communication in healthcare.

Your event can take many forms. You can [host an X space](#), or a webinar. Your events could be live theatre or storytelling. You are only limited by your imagination!

Please note that your event must be free and open to the public to be registered as an event on the [World EBHC Day webpage](#).

Register your event by Monday, 6 October.

Event Registration Process

- [Register your event](#) by **Sunday, 6 October**.
- A receipt of submission will be sent to your registered email address
- The World EBHC Day Committee will review your submission within 5 business days and notify you of the outcome.
- If your event meets the criteria and all required information has been received, you will be notified once it has been published on the World EBHC Day website.

Become an Evidence Ambassador!

Successfully have your event uploaded onto the World EBHC Day events page, and you/your organisation are eligible to become [World EBHC Day Evidence Ambassadors](#).

Submit your photos!

[Share up to five of your photos](#) from your event and celebrations! We will upload them to the [World EBHC Day Photo Gallery page](#).
